ADDRESS OF CMAS PRESIDENT Ms. Anna Arzhanova

Dear athletes and passionate supporters of finswimming,

In a short time we will be on the magnificent island of Chios not only for two exceptional competition events but for a shared journey fueled by big dreams.

Athletes from various ages, countries and backgrounds will gather to celebrate their passion for Finswimming. Each one brings a unique story and their own way of finding freedom and expression beneath the water's surface.

We all know that success is more than just achieving results, it's having the courage to take the first dive, overcome obstacles and to push personal boundaries.

The bonds you form during this event may last a lifetime, serving as a reminder of the strength that lies in our differences and the inspiration we gain from one another.

I would like to extend our sincere gratitude to the Hellenic swimming Federation and the local authorities of Chios for their invaluable support. Their warm hospitality and commitment have played a crucial role in making these Championships an unforgettable experience.

The time to carve your own path is approaching, dive in with passion and let your achievements inspire us all.

ADDRESS OF HSF PRESIDENT Mr. Kyriakos Giannopoulos

On behalf of the Hellenic Swimming Federation, it is my great pleasure to extend a warm welcome to all participants, coaches and supporters to the 2025 CMAS World Championship Finswimming Indoor Masters and the 2025 CMAS World Championship Finswimming Indoor Juniors. We are thrilled to be hosting these prestigious events this year on the enchanting island of Chios, a place that beautifully blends history, natural beauty and Greek hospitality.

Chios, renowned for its rich cultural heritage, breathtaking landscapes, and welcoming atmosphere, provides an ideal backdrop for these competitions. This island will be a memorable setting for athletes and spectators alike. You may be confident that everyone engaged in the organization is devoted to doing their best, since our Federation has a long-standing history of hosting many significant events.

This championship, with top athletes from across the globe, promises to deliver unforgettable moments and to emphasize the power of sport as a bridge for unity. We are confident that the spirit of friendly competition will be reflected throughout the event.

We look forward to welcoming you all in Greece, and we trust that your time here in Chios will not only be marked by outstanding competition but also by a rich cultural experience and nice memories. We wish you an enjoyable stay and may the competition be filled with success for all participants.

Welcome to Chios a Mediterranean Jewel!

We are delighted to welcome all participants and visitors to the CMAS World Championship Finswimming Indoor Masters & Juniors, in the enchanting island of Chios, Greece. With its rich cultural heritage, stunning natural landscapes, and world-renowned products, Chios offers a truly unique experience for all who visit.

A Breathtaking Destination

Chios, located in the northern Aegean Sea, is a haven of beauty and history. Famous for its crystal-clear waters, charming medieval villages, and picturesque landscapes, it's the perfect setting for these prestigious events. The island is particularly famous for its mastic, a rare resin produced by the mastic trees that grow only in specific areas of Chios. Mastic has been harvested here for centuries, and it plays a key role in local culture, cuisine, and tradition.

Chios and its Legendary Mastic

The mastic of Chios is truly unique. This aromatic resin, which has been prized for its medicinal and culinary properties since ancient times, is harvested exclusively from the island's mastic trees, particularly in the southern region of the island. Chios is the only place in the world where mastic is produced in this form, and the island's Mastic Villages – including Mesta, Pyrgi, and Vessa – are known for their centuries-old traditions surrounding its cultivation.

When you visit these villages, you'll have the chance to see how the mastic is harvested, learn about its historical significance, and even taste it in a variety of local products. From mastic-flavored ice creams and sweets to liqueurs, cheeses, and skin-care products, mastic is a fundamental part of the island's identity.

Natural Beauty and Relaxation

Beyond its cultural heritage, Chios offers an array of breathtaking natural landscapes. You can unwind on its unspoiled beaches, such as Karfas, Mavra Volia, and Agia Dynami, where crystal-clear waters meet golden sands. The island is also perfect for nature lovers – explore its rugged hills, olive groves, and pine forests, or visit the serene Nea Moni, a UNESCO World Heritage site famous for its Byzantine mosaics.

Cultural and Historical Heritage

Chios is also home to a wealth of historical landmarks, from ancient ruins to impressive medieval castles. Discover the Chios Archaeological Museum, the Chios Castle, and the island's medieval villages, with their unique black-and-white patterns on the houses, which reflect the island's rich cultural legacy.

SEE YOU IN CHIOS THIS JUNE!

SWIMMING POOL OF CHIOS "IONIKON"

COMPETITION POOL: 50m Indoor

This sport complex, with a capacity of 3.000 spectators.

The indoor competition swimming pool is a 50 meters and 10 lanes pool with 2,05-2,20 meters depth, and average temperature 26o +_1o C.

The complex also include: Four groups of dressing rooms. Each group has adequate space for 100 persons with: showers, toilets, massage and rest rooms, dressing rooms for officials, separate from athletes. It also includes numerous rooms for preparation, meetings, victory ceremonies, preparations and cafeteria.

GENERAL INFORMATION

The Championship will take place in IONIKO Swimming Pool, Chios, Greece from 17th to 24th June 2025.

Information about Participation

- Only participants with a CMAS license are eligible to Compete in the Championship.
- All participants should respect the championship rules, the safety conditions set by the organizers and CMAS rules and regulations.

Swimming Pool Events

- Each country may enter no more than two (2) swimmers for each individual event and one (1) team per relay event.
- For relay races the names of the swimmers and their starting order must appear in a list submitted to the results office before the start of the session. The composition of mixed relays is with two (2) males and two (2) females and starting order is Man-Woman-Man-Woman. Any change in the fixed starting order leads to disqualification. It's possible to change the composition of the relay teams between the qualifying heats and the final.
- The entries must reach CMAS portal according the the procedure attached.
- World Championship will be carried out over a period of five (5) days and ten (10) sessions.
- The qualifying heats are scheduled in the morning and finals in the afternoon except 400m. IM, 800m.SF and 1500m.SF slow heats in the morning and fast heat in the afternoon. For this reason, it's requested that the national federations send to the CMAS HQ the official protocols of all national selection competitions in a delay of maximum two weeks after the competitions (in one of the three CMAS languages). Thus, times of enrollments of the swimmers will be checked for CMAS championships. If the protocols aren't transmitted in this deadline, the times of corresponding enrollments will be cancelled and the athletes will be engaged with time 59:59.59

Bottle Filing

- Only compressed air without oxygen enrichment is allowed.
- For swimming pool competitions, the minimum volume of a compressed air cylinder (bottle) is liter 0,4 (zero point four liter) and liter 1 for 200-400IM.
- The maximum filling pressure for the compressed-air cylinders cannot exceed 200 bar (20 MPa).
- When a cylinder with a flat bottom is used, adding a rounded bottom, which does not exceed the radius of the cylinder, is allowed.
- All cylinders used must have passed a hydrostatic test less than two (2) years before the Championship, or even less if it is required by the local legislation.
- Each cylinder must be presented in good condition and empty during checking meeting before Championship.
- The organiser guarantees the filing of DYN & INT cylinders. For all other types teams must bring their own adaptor.

Flags

Each national team must bring two (2) national flags (m. 2,00 x m. 1,00).
